

INDIANA YOUTH TOUR TO WASHINGTON, D.C.

Discussion Points | 2019 Youth Tour | June 13-20, 2019

Please type or print response in black ink on an additional page.

Listed below are a number of discussion points about the electric cooperative utility industry. Orange County REMC's General Manager/CEO or employees will be more than happy to assist by answering the questions below. Please contact our office during normal working hours of 7:00 am – 5:00 pm, Monday- Friday.

If a visit to the cooperative isn't practical, please try to make contact over the phone by calling 812-865-2229 or toll free 888-337-5900.

I believe you will find your visit educational and interesting. A basic understanding of the electric cooperative industry will help you better understand much of what you see and hear in Washington, D.C.

- ✓ When were most of Indiana's electric cooperatives formed, and why?
- ✓ What are some of the differences between a cooperative utility, a municipal utility and an investor-owned utility?
- ✓ Are cooperative utilities based on any special or unique business principles?
- ✓ What are the current issues facing this electric cooperative?
- ✓ Who are some of the business partners of this cooperative? What services do they provide?
- ✓ What is Touchstone Energy®?
- ✓ What are some of the career opportunities at my local cooperative? In the utility industry?
